Dear Sir:

In response to the Examiner's First Office Action dated July 19, 2000, the Applicant responds as follows:

REMARKS

The Examiner rejected claims 46-11 under the judicially created doctrine of obviousness-type double patenting as being unpatentable over claims 1-32 of U.S. Patent No. 5,957,854. The Examiner suggested filing a terminal disclaimer. Accordingly, the Applicant encloses herewith a terminal disclaimer to overcome this rejection.
